The VCUHS Pathology Laboratories offer convenient access to timely lab services and blood collection at the local patient service centers listed here.

The patient service centers accept most traditional indemnity insurances, Medicare, Medicaid and all Optima Health Products.

Bring your doctor's prescription and insurance card. We'll handle the rest.

For additional information call:
828-7284(PATH)

PSC's are open Monday—Friday except for Thanksgiving, Christmas, New Year's, Memorial Day, Fourth of July and Labor Day.
