

Department of Pathology

Resident Manual

July 1, 2009 – June 30, 2010

Susan Roseff, M.D.

**Director of Transfusion Medicine
Director, Resident Training Program**

Margaret M. Grimes, M.D.

**Vice Chair for Pathology Education
Associate Director, Resident Training Program**

Edited by Violet R. Brown
Coordinator, Resident Training Program

Table of Contents

1. INTRODUCTION	
Objectives of the Resident Education Program	1
The Combined Anatomic-Clinical Program	2
Elective Rotations	2
Fellowships	3
Basic Schedule of Rotations	4
2. DESCRIPTIONS OF ANATOMIC ROTATIONS	
Autopsy	5
Dermatopathology/Renal Pathology/Electron Microscopy	12
Forensic Pathology.....	13
Surgical Pathology	16
Neuropathology.....	26
Cytopathology.....	31
3. DESCRIPTIONS OF CLINICAL ROTATIONS	
Transfusion Medicine	39
Chemistry	46
Informatics	53
Toxicology	55
Hematology.....	56
Microbiology and Virology	67
Immunology.....	75
Molecular Diagnostics	79
Cytogenetics.....	83
4. ELECTIVE OPTIONS	
Transfusion Medicine	87
Clinical Chemistry/Clinical Toxicology	87
Clinical Microbiology.....	88
Hematopathology	90
Research Option.....	90
Specialized Areas in Surgical Pathology	91
5. RESEARCH AND TEACHING OPPORTUNITIES	
Research.....	94
Exhibits and Presentations	94
Teaching Responsibilities	94
6. LEARNING RESOURCES	
Computer Facilities/Media Services.....	96
Photographic Services.....	97
Self-Assessment Examinations.....	97
Self-Instructional Materials	98
Suggested Texts and Journals	98

7. DEPARTMENTAL POLICIES AND PROCEDURES	
Duty Hours.....	99
Call Responsibility.....	99
Moonlighting and Locum Tenens.....	101
Supervision Policy for Housestaff.....	102
Housestaff Duties and Privileges.....	104
Resident Evaluations.....	106
Leave: Family Leave.....	107
Specifics Related to Maternity Leave.....	107
Vacation/Conference Leave.....	108
Sick Leave.....	109
Unexpected Leave.....	109
Delinquent Autopsy Reports.....	109
Evaluation of Department by Resident.....	110
Books and Travel Allowances.....	110
Change of Address.....	111
Copy Machine.....	111
Grievance.....	111
Keys.....	112
Library.....	112
Mailboxes.....	112
Meals While On Call.....	112
Microscopes.....	112
Pagers.....	113
Professional Society Membership.....	113
Promotion, Probation and Dismissal.....	113
Residency Coordinator.....	113
Selection of Residents.....	113
State Licensure.....	114
8. FELLOWSHIPS	
Surgical Pathology.....	115
Neuropathology.....	115
Cytopathology.....	116
Molecular Genetic Pathology.....	116
Hematopathology.....	117
APPENDIX A: AMERICAN BOARD OF PATHOLOGY REQUIREMENTS	
Pathology Training Requirements.....	118
APPENDIX B: SCHEDULES AND FORMS	
Conference Schedule.....	119
Resident's Cumulative Record of Completed Rotations.....	124
APPENDIX C: DEPARTMENT PERSONNEL	
Faculty.....	125
Housestaff.....	131
