

VCU Pathology Grand Rounds

"Basal cell carcinoma: from Gorlin to Gli and beyond"

Scott C. Bresler, M.D., Ph.D

Clinical Assistant Professor of Pathology and Dermatology
University of Michigan

At the conclusion of this activity, the participant will be able to:

1. Explain the basics of the molecular pathogenesis of basal cell carcinoma
2. Describe the history of drugs targeting the hedgehog signaling pathway
3. Differentiate basal cell carcinoma from common histopathologic mimics with the aid of biomarkers

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
