

# VCU Pathology Grand Rounds

## “Overview of cancer screening guidelines for the transgender population”

**Natalie Pula, MD**  
PGY 4  
Department of Pathology  
Virginia Commonwealth University  
School of Medicine

**At the conclusion of this activity, the participant will be able to:**

1. Describe the challenges the transgender population may face in regards to cancer screening
2. Discuss the current guidelines and best practices for cancer screening in the transgender population
3. Recognize the additional challenges to screening recommendations for transgender persons receiving gender affirming hormone therapy

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
